Good afternoon,

Thank you for your enquiry.

The equivalent part number we can supply is 0110041 - oxygen sensor R-41V, please see attached technical specification.

The price breaks are as follows:

1 = \$ 63.50	2 = \$ 57.15 each EXW	3-10 = \$ 53.98 each EXW	11 or more = \$ 50.80 each EXW
--------------	-----------------------	--------------------------	--------------------------------

This sensor is currently in stock.

If you would like a proforma invoice, valid for 30 days, I would need your delivery and invoice addresses in order to set up a new account for you.

Many thanks.

Kind regards

Kate Griffiths
