Dear Kate,

Yes please send us the proforma invoice,
No there is no post code for our address.

We have a few questions:

- is the lead time 14 days after payment?
- is it fully compatible to itg M-03?
- can you give us more details regarding the return policy?

Thank you!

Regards,

Biomedical Department

Good afternoon,

Please see attached quotation as requested. I can turn it to a proforma invoice that can be used for payment, if you decide to go ahead. The quote is valid for 30 days.

Please could I ask if you have a postcode for your address?

Please let me know if you require any changes to be made or if I can be of any further assistance.

Many thanks.

Kind regards

Kate Griffiths

Good afternoon,

Thank you for your enquiry.

The equivalent part number we can supply is 0110041 - oxygen sensor R-41V, please see attached technical specification.

The price breaks are as follows:

1 = \$ 63.50	2 = \$ 57.15 each EXW	3-10 = \$ 53.98 each EXW	11 or more = \$ 50.80 each EXW
--------------	-----------------------	--------------------------	--------------------------------

This sensor is currently in stock.

If you would like a proforma invoice, valid for 30 days, I would need your delivery and invoice addresses in order to set up a new account for you.

Many thanks.

Kind regards

Kate Griffiths
