Hi Sophie; Hi Janine,

Would appreciate if you could drop me another proforma for five (5) each MAX 13 Sensors 0110413 (R115P10).

Have still nothing heard about possible order from my customer for the earlier offered 50 ea 0110420 Max 14 (Fluke). But, OK, the purchaser is still out for vacation until 28 August.

Thank you so much.

Kind Regards,

Gerold Diessenbacher
