Dear Remco

Sorry for the late reply.

Did you want to proceed with two different analysers or 2x TEK-OX with two different sampling devices?

Best regards
Ryan

Dear Remco

Did you want to try 2 different analysers, such as the TEK-OX and the VN202?

Best regards

Dear Remco

The Quick Ox which is supplied with the TEK-OX is suitable for use with a DIN pillar valve, are you sure you also require the DINKIT?

Best regards

Dear Remco

Thank you very much for your message. I have taken a look at your website and it is clear that you are a retailer and so we would be happy to supply you directly at our trade pricing.

I have added your company details to our system from the information on your website, so you are free to place an order anytime you like. We do not impose any minimum order quantities, we would only ask that your initial orders are prepaid by either bank transfer or credit/debit card.

Please find our trade and retail pricing attached, with some product information.

I look forward to hearing from you and I welcome any questions you may have.

Kind regards

Ryan

ps. for your reference only, your account number is CID25902
