Hi Ryan,

Hope you are well - ok great does this include the required sensor? Also it would be shipping within the UK as I am back there next week

Best Regards,

Hannah Baker

Director

Dive-In leads the way for all Technical and Instructor Training in Cyprus. Our centre in Larnaca is the Regional Office for SDI/TDI Greece and Cyprus, we are therefore able to assist all SDI/TDI centres within our region.

As the Island leaders in Recreational Diving, we are able to cater for all levels of instruction from Entry Level to the most Advanced Instructor rating.

We are the best option for you to discover and dive the island.

Hi Hannah

Thank you, we have updated the email address to office@dive-in.com.cy

Please find your quotation attached. I have added the carriage costs by UPS, we can change this to Airmail if you wish, it will be slightly cheaper, but can take quite a few weeks to arrive.

You are responsible for any importation charges. However, if you would like us to pay your Duty, Taxes and Importation Fees, we can add this to the invoice as it is sometimes cheaper this way, the cost would be GBP £33.

Please note that we do not impose any minimum order quantity, but we do offer a discount when you purchase 2+ TEK-OX, please find our trade price list attached.

Best regards
Ryan

Good Morning Vandagraph team,

We have updated our contact info - if you can change the contact email you have on file for us from dive_in_tdi@cytanet.com.cy to this that would be great - can I also have a quote for the following:

- 1x Tek-Ox Oxygen Analyser with associated sensor

Many thanks in advance,

Best Regards,

Hannah Baker

Director
