Dear Ryan

Hope you are well. Thank you for your help. I just checked the invoice and the is missing 1 x 7910201 Oxygen Analyser Tek-Ox Auto + Quick-O. If you see on the order below I ordered 2 x 7910201 Oxygen Analyser Tek-Ox Auto + Quick-O. Can you please make the appropriate changes and get back to me with a new invoice? Thank you!

Dear Stilianos

Thank you and please accept my reply on Jean's behalf, as she has retired from the day-to-day running of the company.

Please find your proforma invoice attached. Please note that the DIN KIT for the VN202 is listed on a separate line.

Please let me know if you have any questions or if you are happy to proceed with payment. Our bank details are listed at the bottom of the invoice or you can call us with your debit/credit card details.

Best regards

Ryan
