Hi Kate

I suppose we should go with the kit which has the power supply.

Thanks

Richard

Good morning Richard,

Thank you for your email.

Just a quick email to check whether the quotation is for the MySign 0 - 0111276 (£347 each) or the MySign O kits - 0111277 (£394.85 each) (these include the power supply).

I may not be able to issue the quotation until this afternoon as I need to check carriage charges for 20 of the devices and I need a colleague's advice.

Thank you for your patience.

Many thanks.

Kind regards

Kate Griffiths

Good afternoon Richard,

Further to our telephone conversation this afternoon, the price breaks for part number 0110468 are as follows:

1 = £ 96.80	2 = £ 94.40 each	3 - 10 = £ 92.00 each	11 = £ 87.20 each
-------------	------------------	-----------------------	-------------------

Carriage is free for medical oxygen sensors and all prices are excluding VAT.

These are currently in stock.

Many thanks.

Kind regards
