To whom it may concern,

Apologies if this is not meant for your department and if you could direct me to whom I can liaise with for this request.

I am currently working in a neonatal unit where we use phototherapy light and protect infants eyes with your product, eyemax2. We never had problem but recently, our procurement system have change and we can no longer order consumables unless it is in our Ordering system. Can I request for quotation for the EyeMax 2 PreemieR300P02?

Thank you and hoping to hear from you.

Kind Regards,

Merla Medina
