REQUEST FOR QUOTE FOR SERVICE/CALIBRATION. PLEASE SEND QUOTE TO
ROSS.BOWDEN@WALES.NHS.UK

Return date**Signature**

Returned equipment should be setup from both a security and functional perspective, so that the equipment can be set directly into use without any further measures. A complete report detailing discovered faults, performed measures, changed components, measured values and performed functional controls and safety tests should be attached. These protocols do not release the supplier from the responsibility if a functional fault would appear that could jeopardize the safety of the staff or patients.

The goods are to be returned to the address below

Invoice address Finance Department
University Hospital of Wales
Heath Park
