Dear Mickaël

Thank you very much for your email and I apologise for the late reply.

Please find your proforma invoice attached. All of the products are available from stock apart from the R-17S1, they are due to arrive with us sometime over the course of the next 7-10 days.

If you wish to proceed with the order, you can make your payment using the bank account details at the bottom of the invoice or you can use a credit card. I can send you a link for card payments if required.

I look forward to hearing from you and please let me know if you have any questions.

Best regards

Ryan
