Please add the amendments to the orders. I have checked with derek and until steve nixon comes back we will accept the haiks on his euro account, and the maxtec monitor is Maxtec Ultramax Analyser PN: 0111265 @ \$534.50 per unit.

Thanks
Cathy

Hi Cathy,

Thank you for the confirmation. As we spoke yesterday, please make it 45x R-22Vi sensors if it's not a problem.

I would like to add an extra 25 R-24MED sensors to order number D1/031023 (dollar account) if you have it in stock and it's not a hassle.

In case of any further questions please give me a call. Thank you Cathy!

Pozdrawiam serdecznie / Best regards,
