Good afternoon Syed,

Thank you for your enquiry.

The price breaks for part number 0110950 - Nitrogen sensor N-33 are as follows:

1 = \$ 63.50	2 = \$ 57.15 each EXW	3 - 10 = \$ 53.98 each EXW	11 or more = \$ 50.80 each EXW
--------------	-----------------------	----------------------------	--------------------------------

The lead time would be approximately 8-12 weeks.

If you require an official quotation or proforma invoice, detailing carriage charge, insurance and bank charges, **I would need your delivery and invoice addresses in order to set up a new account for you.**

Many thanks.

Kind regards

Kate Griffiths
