

Viamed Oxygen Sensor Disposal Service

We have introduced an oxygen sensor disposal service for the safe disposal of **any** of your depleted oxygen sensors.

You are 3 easy steps away from **hassle-free** disposal:

Step 1.

Complete your details on the label attached to the enclosed returns bag.

Step 2.

Insert your used sensor(s) into the bag and seal.

Step 3.

Affix postage to the addressed returns bag enclosed and ship back to us.

We are happy to dispose of any of your oxygen sensors, even if you did not purchase them from us.

Please feel free to keep the enclosed returns bag should you need it in the future, or contact us on (01535) 634 542 to request extra returns bags.
