Great, thanks, Kate.

I can confirm this is okay.

Specific date: can we aim for the last Friday of each month?

Good weekend,
Tjeu

Op 13 okt. 2023, om 14:28 heeft Kate Griffiths <office@viamed.co.uk> het volgende geschreven:

Thank you Tjeu, I will look out for your payment next week, they can take a day or so to appear in our account.

Once this order has been processed, I will update your account to show 30 days credit. Then I can set up twelve orders starting in December 2023 for delivery each month of 5 x 0110081 - UFO 130-2.

Is there a specific date in each month that you require the sensors for (assuming stock is available)?

Many thanks.

Kind regards

Kate Griffiths

Viamed is now enacting hybrid working to allow sales and admin staff to work remotely and in the office. Telephone calls to the main office will be answered, but please continue to use email where possible.

Dear Kate,

I made the full payment for MVM146051 today.

To your question, the account status changes for the recurring orders, 5 every month, and the email address is correct (tjeu.souren@gmail.com).

I would need a recurring order, starting December 2023, following up to December 2024, ordering 5 UFO 130-2 monthly.

If that logistically can be handled, that would be great.

Thank you,
Tjeu

Good morning,

Thank you for your order. Please see attached proforma invoice for 10 x 0110081. The lead time is approximately mid December 2023.

Regarding your ongoing orders, I have been advised that the best way forward is for us to change your account status to a 30 day credit account after this attached proforma invoice has been paid. **We currently email invoices to you at tjeu.souren@gmail.com - would this still be the case?**

If this is acceptable to you, please let me know and if you could email me with your ongoing requirements I could set those orders up for you.

Many thanks.

Kind regards

Kate Griffiths

Dear Kate,

It has been a while; I hope all is well.

I want to order 10 UFO130 O2 sensors, like I ordered before (07012184KG)

Can you make a PO and invoice for me on that one?

In addition, starting in December, I would like a recurring order for five pieces each month for one year.

How would be the best way for you, logistically, to handle this? In total, this would be 65 pieces (Dec 2023 - Dec 2024), with shipping of 5 each month, starting December 2023.

Kind regards,

Tjeu
