Type of Equipment Description of Device(s): Oxygen analyser no alarms Digital readout instrument 0-100% Input sensor Galvanic Oxygen Sensor 0-100% Accuracy +/- 1.0% FSD			
Manufacturer: Vandagraph Limited. 15 Station Road, Cross Hills, Keighley, West Yorkshire, BD20 7DT. United Kingdom. Device(s): Argonaught Oxygen analyser no alarms Digital readout instrument 0-100% Input sensor Galvanic Oxygen Sensor 0-100% Accuracy +/- 1.0% FSD It is hereby declared that the medical device specified above is in compliance with BE EN 60601-1-2: 2007 This supported by Technical documentation retained by Vandagraph Ltd. Test certificate WT118000614 07/04/2011			
Manufacturer: Vandagraph Limited. 15 Station Road, Cross Hills, Keighley, West Yorkshire, BD20 7DT. United Kingdom. Device(s): Argonaught Oxygen analyser no alarms Description of Device(s): Digital readout instrument 0-100% Input sensor Galvanic Oxygen Sensor 0-100% Accuracy +/- 1.0% FSD It is hereby declared that the medical device specified above is in compliance with BE EN 60601-1-2: 2007 This supported by Technical documentation retained by Vandagraph Ltd.
