Viamed order R-22AV Sensors

John Antassouras <john.antassouras@gmail.com>

18 October 2023 at 09:22

To: Janine Gill <office@viamed.co.uk>

Good morning,

yes, please wait for it and send them all together.

Please confirm that the replaced sensors will not be send us such. They need to be invoiced at a price higher than €0,00 and to not mention on the invoice that they are replacements.

Thank you in advance,

Best regards,

John Antasouras
