Hi Alexandre,

Thank you for your email. I can confirm we do supply the MAX-13 Oxygen Sensor (part number 0110413) - the price for this sensor is €106.90 each.

We do have a cheaper, compatible sensor - the R-41V ([art number 0110041) at €47.60 each if ordering 3 units:

Please find attached the specifications for each sensor and let me know which version you would like?

Kind regards

Sophie Lines
