Dear Office

Please add this onto the system

Please add the R-24meds and add them at the 25qty cut off price

And then reduce his dollar order D1/161023 down to 11 and keep cost the same as qty25.

This is due to customer being desperate for the stock, new stock not due until mid Jan 2025 and we are unable to ship different currency orders together.

Steve Nixon is aware of this and has agreed to this as a one time only thing.

Call me if you need a hand. Sorry for it being a little messy.

Thanks Cathy
