Please be aware the @mcht.nhs.uk email address is an accredited secure email address, and is used by the Trust instead of @nhs.net.

In order to transfer PID information between organisations a secure email connection is required and in order to achieve this standard, trusts are required to become accredited by NHS Digital, and submit evidence each year to remain secure email providers. Both MCHFT and Microsoft O365 as a platform have been accredited to the secure email standard for health and care and both have passed the required clinical safety elements (SCCI 0160 and SCC0129) and achieved the ISB1596/SCCI1596 accreditation.

A copy of this conformance statement is located on the NHS Digital website on the link below to evidence to other trusts that we are a secure provider
