Good afternoon Robyn,

I hope you are well.

Please could I ask if proforma invoice MVM146209 is still required? It expires next week on November 20th, at which time I am required to delete it.

I can of course issue another proforma invoice at any time.

Many thanks.

Kind regards

Kate Griffiths

Hi Robyn,

Please find attached a proforma invoice for the veterinary capnograph accessories that we discussed.

This includes the IRMA analyser (which measures the CO2 in exhaled gases), and a pulse oximetry Y-sensor with 3 different sized lingual clips. We include a small clip with the sensor free of charge by default, so only the other 2 are chargeable.

Orders should be sent to the sales office at orders@viamed.co.uk please can you also send a remittance advice once payment has been made so that we can tie the payment to your order.

We have all of the items in stock so delivery should be within 2 days of receipt of payment of the proforma.

Best regards,
