**Please note:** This transaction record is neither a statement nor an invoice, and does not confirm shipment tendered to FedEx or payment. FedEx will not be responsible for any claim in excess of \$100 per package, whether the result of loss, damage, delay, non-delivery, misdelivery or misinformation, unless you declare a higher value, pay an additional charge, document your actual loss and file a timely claim. Limitations found in the current FedEx Service Guide apply. Your right to recover from FedEx for any loss, including intrinsic value of the package, loss of sales, income interest, profit, solicitor's fees, costs and other forms of damage whether direct, incidental, consequential or special is limited to the greater of \$100 or the authorised declared value. Recovery cannot exceed actual documented loss. Maximum for items of extraordinary value is \$1,000, e.g. jewellery, precious metals, negotiable instruments and other items listed in our Service Guide. Written claims must be filed within strict time limits; consult the applicable FedEx Service Guide for details. The estimated shipping charge may be different to the actual charges for your shipment. Differences may occur based on actual weight, dimensions and other factors. Consult the applicable FedEx Service Guide or the FedEx Rate Sheets for details on how shipping charges are calculated.
