Good morning Martin,

Thank you for your enquiry.

Part number 0111275 - oxygen analyser OxiQuant S is €134.40 each EXW. These are currently in stock.

If you require a proforma invoice detailing carriage charge and insurance, I would need your delivery and invoice addresses in order to set up a new account for you.

I would also need to know how many you require.

Many thanks.

Kind regards

Kate Griffiths
