Betreff: Re: Quote request O2 Sensor MU13223 Draeger or compatible

Dear Georgian

Thank you very much for your email.

We would be happy to supply you with our R-22Vi sensors, which are compatible with the Draeger MU13223. Please find our distributor pricing below:

R-22Vi - pn: 0110020 = EUR €30.20 each EXW

Sometimes Draeger supply the MU13223 sensors as a matched pair with the part number MU24903:

R-22Vi (matched pair) - pn: 0110072 = EUR €60.40 / pair EXW

We have the sensors available from stock from our UK warehouse. Please let me know if the sensor pricing is okay and then we can send you an official quotation with shipping costs?

I look forward to your reply and any questions you may have.

Kind regards

Ryan
