Good afternoon Gijsbert,

Thank you for your reply.

The price of part number 1410000 - V1000 is €514.10 each EXW.

The production time is approximately 2-3 weeks (please also take into account possible Christmas delays).

Please let me know if you would like a proforma invoice detailing carriage charge and insurance. We use UPS as our courier, but of course you could arrange your own shipping (EXW).

Many thanks.

Kind regards

Kate Griffiths

Good afternoon Gijsbert,

Thank you for your enquiry.

Please could I ask if you are working for Mediq Suomi Oy? I can then assist you further as the V1000 are now available.

If you let me know your delivery and invoice addresses, I can see which account to use on our system or create a new account.

Many thanks.

Kind regards

Kate Griffiths
