Hi Silvia

I have managed to borrow 5x boxes of Regular (100 pieces) to part ship to you with the balance of Premie and Micro.

I hope this helps you keep your client happy.

Best regards

Ryan

Dear Ryan,

There is a customer to whom we have to deliver in March or cancel the order and the contract for the next quantity:

150 pcs Premie

100 pcs Regular

50 pcs Micro

Maybe study the possibility of partially delivering to us?

Thank you!

Dear Silvia

I hope you're well.

The reason for my email is in regards to the EyeMax (Regular), I wanted to keep you posted on the current situation. More stock is due to arrive with us before the end of March which should take care of your current back orders.

Please note that the stock that is arriving this month, Viamed ordered 5 months ago. Because of the extreme delays, we are trying to plan our stock requirements well in advance. It would help us tremendously if you could let us know in advance if you have any potential requirements.

Please have a great weekend and best regards

Ryan
