Hi Kate

If you are able to amend this that would be great and the other line remains unchanged.

We are not in desperate need as a few have been located here so if you could ship the order when available.

Thanks

Julie

Thank you for your reply Julie.

No problem, I can amend the PO from your email if you require. I am unable to say how many the warehouse can part ship, they are trying to make sure each hospital has enough until more stock becomes available.

Would you like me to change the PO to show **16 x 0110072 and keep the same 10 x 0110579?**

Please could you let me know how many of the 16 x 0110072 are urgent and then we can part ship as many as we can of that amount.

Many thanks.

Kind regards

Kate Griffiths

Viamed is now enacting hybrid working to allow sales and admin staff to work remotely and in the office. Telephone calls to the main office will be answered, but please continue to use email where possible.

Hi Katie,

We may not require as many of these as was first requested. As we only actually now require 16 pack of 2.

Would it be possible for me to arrange a purchase order amendment or is it too late to do this?

Regards

Julie

Good morning Julie,

Our warehouse team have asked me to enquire **how many of part number 0110072 - oxygen sensor R-22Vi, pack of two you require urgently?** We may be able to part ship some to you (no extra carriage charge).

Many thanks.

Kind regards

Kate Griffiths

Dear Julie,

Thank you for your order 640140943, which we received via B2B Router.

Unfortunately, we are short on stock for both sensors required on your order. The estimated lead time is approximately 6 weeks in total.

Please accept our apologies for this delay - if you require any further information please do not hesitate to contact us.

Kind regards

Sophie Lines
