you will need to add it to the order , we have them in stock#
09:39
ok I will add it as FOC and leave note in memo
Cathy, 09:40
you only want to add a single not a box
09:40
how do I add a single
she wrote box of 12 ?
Cathy, 09:41
you add the single part number its in the system
to me a sample is one not a box, you will need to ask a director

They have asked a sample of box do we give them it or give them a single? Cathy said ask one of the directors
