Dear Kate,

Please replace the oxygen sensor with number 0110024 R-24MED on the invoice with an oxygen sensor with number 0110049 (R-49V), since waiting 4-5 weeks is a very long time. I hope you can shipped the axial sensors of my order to me today or tomorrow.

Good morning Oleksandr,

Thank you for your order.

Please could I advise you that Zoey now works in a different part of Viamed, and Katie Evans no longer works here

Emails can be accessed by all of our office team on orders@viamed.co.uk

Please could I advise you that the lead time for part number 0110024 R-24MED is approximately 4-5 weeks?

The alternative to part number 0110024 is part number 0110049 (R-49V) which you have already ordered.

Please see attached proforma invoice, valid for 30 days.

Kind regards

Kate Griffiths
