Please use the below email when contacting any UK distributors who have previously agreed to pay insurance.

Thank you for clarifying your insurance requirements previously when placing your last order. After careful consideration, Viamed has decided to amend the UK distributor's insurance policy to cover any losses during shipping, should this occur. Viamed will take responsibility for the insurance risk.

I hope this gives you further peace of mind when ordering from us.

Should you have any queries regarding this please let me know.

Thanks
