Hello Steve,

Thank you for your prompt reply.

It's ok for an order of 15 cells Oxygen Sensor - Salamandre mCCR labelled sensor. Thanks for the suggestion.

Can you let us know when you'll have an approximate shipping date?

Best wishes for the New Year!

Best regards

Dear Etienne

The requested delivery is a very tight schedule, so I can't provide any delivery guarantee at the moment. May I assume that you would like to proceed with the order for 15 x 8010000 VST2200 oxygen sensors?

After this delivery I suggest that we change over to **Oxygen Sensor - Salamandre mCCR** labelled sensor. The ordering part number will be 8010029, the pricing will be the same as the standard sensor 8010000 at £38.00 each EXW.

Regards

Steve

Dear Aqib,

We would like to order a new small series of cells (between 10 and 15), do you think this is possible for a mid-February delivery?

Best regards
