Hi Stephen

You already have code 2520001 on your order but the description says 'Control Knob'. And then you have lead set '2520091'.

Should I amend both products to the below as advised by the supplier?

2520001- Microstim DB3 - Patient Lead

2530012- Microstim DB3 - Intensity Control Knob.

Kind Regards,

Sophie Traynier

Good Afternoon Sophie,

Thank you for your purchase order. I would just like to advise that you have the wrong part number to your description, you do have the correct price for each product.

2520001- Microstim DB3 - Patient Lead

2530012- Microstim DB3 - Intensity Control Knob.

Please can you confirm if these are the parts you need?

Kind regards

Emily Hanson
