Dear Miss Griffith,

I have just confirmed from my forwarder that via UPS courier it will not be custom cleared so please leave the UPS courier option and just quote the EX-Works price.

Thank you for your reply.

I will remove the extra plastic case as requested. I have used EXW as that is what your email stated. We use UPS as our courier. Would you like me to include the UPS carriage charges and shipping insurance on the quotation?

Kind regards

Kate Griffiths

Dear Miss Griffith,

Thank you for your email and quotation.

Yes please remove the extra case from the quotation. And also please clear us that these prices are in EURO or USD?

Please let me know if there is any possibility to ship the items to our above mentioned delivery address? What will be the way?

Looking forward to hearing from you!
