Good Morning Steve,

Please use DHL service- eCommerce UK for shipping PO12306965.

For PO12400242 to be advised later, we need to understand if shipping method affects to sensors' mag.

Kind regards,

Dear Liliia

As the default on the price list (see attached) we state that oxygen sensors are to be shipped to you via UPS using our account. Do you want us to change the default to shipping EXW on your DHL account? If so, please also advise the default DHL service required.

Can you please also confirm your requirements for the forthcoming orders:
