

you will need to do a new proforma for the new sensor, and if it does not change the original cost of carriage then you can add a free of charge carriage line, but you will need to state on cvm147474 to be shipped with new proforma and add the number and you will need to do the reverse on the profoma in regards to, to be shipped with CVM xxxxx

12:00

I have done a proforma for them but they said we do not want another proforma and do not want o pay 2 carriages

the carriage costs is the exact as the order they have paid for

12:01

Ok I will add the 0110427 to thier original order and tell them to make payment for that

Cathy, 12:02

but they will need to have another proforma to be able to pay for the extra sensor that they will require, and once they pay that then we can ship them together in one box
