Hi Ryan,

Thanks for answering my query today. As agreed we will be using you for calibration of our VN202 analysers in future.

My colleague just ordered 10 brand new units from you and as I understand we are waiting for the proforma invoice to be paid by our finance dept. Meanwhile, could you please send us a quote for calibration of these 10 new units awaiting despatch? Then we will arrange a separate PO for their calibration and in that way you can despatch them with a calibration certificate, avoiding us retuning them back to you.

Many Thanks,

Ruwan Gamage
