Has a V1000 for calibration - I have let them know the procedure and the cost of both options. Awaiting serial number

25/Jan/2024 Sophie Lines

Frode confirmed the serial number is PR03371A13 - they would like the Service and Calibration option please, and are sending the V1000 to us via DHL. I have asked if they have a DHL account they would like us to use when returning back to them. Awaiting reply.

We need to check that we did not incur any charges as they have ticked Viamed to pay duties and taxes on DHL. Check with Helen
