Dear Sir/Madam

Calibration

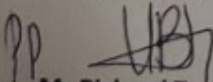

Asset No	151089
Manufacturer	Armstrong Medical
Model	Neo Flow
Serial Number	AL000096
Perceived Fault	24 months and repair fault with read alarm

Asset No	151077
Manufacturer	Armstrong
Model	Neo Flow
Serial Number	AL000104
Perceived Fault	24 months and repair fault with read alarm

The above item has been returned to you for a major overhaul. A quotation will be required before any work is carried out.

Could you please contact our Chief Technician Mr Richard Tuckwood on extension number 82505 or email mesusupport@nuh.nhs.uk with the cost of repair and confirmation for the work to go ahead. A purchase order number will then be issued to cover the cost of the repair.

Yours sincerely

Mr Richard Tuckwood
