
VST Sales And Marketing - Feedback

Feedback from APD concerning customer support

Issue ID #52294

Date Created 09/Sep/2014

Issued To: Derek Lamb

Completed Status: Still Outstanding

Notes:

Added by Steve Nixon sent to Derek Lamb

INFORMATION ONLY ISSUE DO NOT ADD NOTES!

This morning I was speaking to Zoe Caines from APD, they are wanting to bring forward some of their orders, as the sensors are performing very well and the demand for them is high.

As part of the discussion, she again passed on comments regarding the professional and friendly support that she receives from our offices and that it is very much appreciated by APD.
