R: Order n. 466 of 26-02-2024

OmniaCell Tertia Srl - Purchase <purchase@omniacelltertia.it>

27 February 2024 at 14:18

To: Aqib Majeed <aqib.majeed@viamed.co.uk>

Hello Aqib,

Sorry, I think I didn't explain myself well.

We still want to buy 2pcs and have just n.1 shipping, but since we already paid shipping + insurance + 1 sensor my colleagues are asking me if we could have a PI for just n.1pc..

Best Regards

Oggetto: Re: Order n. 466 of 26-02-2024

Hello

Good afternoon

Yesterday you sent me another purchase order (466) and requested to add another sensor on it.

Would you like me to remove that sensor from the order?

How would you like to ship the order?

Kind regards

Hello

Good afternoon

We still have not received any payment into our bank yet.

If you have made payment for order 460 then you will also need to make a payment of €203.92 for order 466 because that is the difference in the orders.

Please let me know if I can assist with anything else.

Kind regards

Hello

Good afternoon.

Thank you for your order, 460

Please see below for your attached proforma.

This proforma invoice is only valid for 30 days

Can you have a look and see if all details on the proforma including addresses are correct or if any amendments are required.

If you are happy and wish to proceed, please make payment for the total amount stated on the proforma.

I do need to advise you we currently have a lead time of **3-4 weeks** as we are out of stock of the Oxygen Sensor UFO 130-2, of course if they arrive sooner we will make you aware.

Please let me know if you require any further assistance.
