Hi Stewart,

Please see attached proforma invoice as requested.

We aim to ship the same day that payment is received, so it would depend upon that. If not this week, then early next week.

Many thanks.

Kind regards

Kate Griffiths

Good afternoon Stewart,

Thank you for your email

The price breaks for part number 0110017 - R-17MED are as follows:

1 = £ 53.00	2 = £ 51.70 each	3 - 10 = £ 50.40 each	11 or more = £ 49.10 each
-------------	------------------	-----------------------	---------------------------

All prices are excluding VAT and carriage is free for medical oxygen sensors. These are currently in stock.

Part number 0120399 is the "T" adapter, 22mm I.D. - 22mm O.D. The price is £25 each pack of 5.

If the T adaptor is purchased with a medical oxygen sensor, carriage would be free.

If you need an official quotation or proforma invoice, please let me know.

(You may be already aware that the MX300-i and AX300-i have been discontinued).

Many thanks.

Kind regards

Kate Griffiths
