Good morning Supattra,

Thank you for your email.

Please could I advise you that part number 0110024 - R-24MED is not in stock and we are struggling to obtain even an approximate lead time for these.

We do have an alternative - 0110049 - R-49V. I have attached a data sheet. These cost \$37.75 each and we expect more stock to be available of these in the next few

Would you like your proforma invoice to show the alternative?

Many thanks.

Kind regards

Kate Griffiths
