Hi Boris

That's great news. Please can you provide us with a postal code / Zip code for the company in Turkey, as we will need this in order to calculate the carriage costs?

Best regards

Ryan

Dear Ryan,
it was great meeting you in Dusseldorf.

We have discussed purchasing of O2 sensors for Atom Dual Incu I for Russia, via third country.

Following our conversation, please provide the quotation on the mentioned O2 sensor (pack of 2) and th HS code for them, so we could ask our logistics department to pick the optimal route, that would eliminate any risk in current conditions for you and for us.

Thank you in advance,

С уважением,
Мирный Борис.
