Hi Kate,

I need the sensor to have M16 thread, when will these be in stock?

Please keep Sam Shillaker on copy as he will be placing the order.

Thanks

Iain

Hi Iain,

Thank you for your reply.

I have checked with a technical colleague and he states that part number 0110524 is a KE-25 with a hexagon moulding fitting, **if you need the M16 thread, it's the 0110534 - oxygen sensor KE-25F3** (threaded input).

The price breaks are as follows:

1 = £ 78.00	2 = £ 74.10 each	3 - 10 = £ 70.20 each	11 or more = £ 66.30 each
-------------	------------------	-----------------------	---------------------------

**These are not currently in stock.**

I have attached some further information for you. Please let me know if I can be of any further assistance.

Kind regards

Kate Griffiths

Good afternoon Iain,

Thank you for your email.

Please see attached quotation as requested, valid for 30 days.

I have used part number 0110524 oxygen sensor KE-25 (std. with flange). *This sensor is not approved as a medical product, it is only suitable for non-medical applications.* I see you have purchased this item before. These are currently in stock.

Please let me know if you require any changes to be made, eg. addresses.

Many thanks.

Kind regards

Kate Griffiths
