Good afternoon,

Can I just double check the address you have sent to us, do you want us to update your account to this address or just for this one order?

The current address we have on file is

Airtek Air Technologies C/ Josep Pallach 11, Esclanya, GIRONA, , 17213, Spain

And the new address you provided is

Name: Massimo Campillo

Address: Avenida Ciudad de Barcelona 36

City: Vera Playa

Province: Almeria

Postal code : 04621

Vat: ES22977071W

can you confirm whether or not you want this changing for all future orders or just the current reshipment

Kind regards

Michael

Dear Claudio

I am sorry, I am working away from the office as I have broken my leg. I believe your parcel has arrived back and my colleagues are going to credit your account, unless you would like us to resend it?

The sensor in your picture I believe is for a rebreather, unfortunately we do not supply any sensors suitable for us in rebreathers.

Best regards

Ryan
