Good morning,

Thank you for your order.

As your order is urgent, I wanted to let you know quickly that we do not have these available from stock. As I have previously mentioned, this item is not currently in stock.

If one or two boxes would be useful, we could ship those? I see that you are awaiting stock for 14 of theses (over two orders) which should become available mid April.

Please let me know if you would like me to proceed with this order.

Kind regards

Kate Griffiths
