Hi, please can we process the order. I would suggest having it as two orders.

Thank you, Ryan

Hi Tracy

UFO UFO 130-2 Amplifier PCB - pn. 0111002 = USD \$295.00 each EXW

Oxygen sensor UFO 130-2 - pn. 0110081 = USD 1+ = \$ 166.50, 25+ = \$ 149.80

Unfortunately we can not do anything on the pricing of the UFO sensors, Teledyne have increased their prices multiple times and we have tried to maintain the pricing as best we can with small margins.

Best regards
Ryan
