Hi Jan

Thank you for the new orders, on the 29th February you already requested an additional 200 sensors for April.

The current orders are:

CST147598 600 April
CST148466 200 April extra sensors
CST147599 600 May

My understanding that you require additional sensors as follows:

200 extra sensors for May
600 June
600 July

Regards

Steve

Hi Steve.

For June and July pleas prepare 600 sensors.

For may pleas is it posible to add 200 sensors so 800 in total means 800 for April and 800 for May.

Kind regards
