Good Morning Kate,

I will take two of them. So I need just add EUR 168.-- to it for the bank transfer?

Thanks and best regards

Good morning Urs,

The shipping cost for two sensors would be the same as for one sensor. Please let me know if you require any changes to be made to your proforma invoice.

Many thanks.

Kind regards

Kate Griffiths

Hi Urs,

Please see attached proforma invoice for *1 x 0111275*.

In a while I will email you with the carriage charge for shipping 2 x 0111275. I just need to wait for a colleague to give me the weights and dimensions so I can work it out.

We use UPS for shipping. The insurance would be the same for one sensor as two. I can of course remove shipping insurance if you have your own.

Many thanks.

Kind regards

Kate Griffiths

Hello Kate,

Thanks for the quick answer.

So I would like to order one or two of them. Depends a bit on shipping cost. If it is quite cheap, than I would take one and reorder later, if shipping is expensive, I would like to order directly 2 of them.

Shipping and billing:

Weinkellerei Paul Gasser AG
Schützenhausstrasse 7
8548 Ellikon a. d. Thur
Switzerland

I guess you want prepayment for shipping outside UK so I would like a proforma invoice for it. Euro is fine.

Thanks and best regards
