Good morning Ayelet,

I hope you are well.

Unfortunately I have to let you know that until further notice the **0110024 R-24MED is currently unavailable** due to a supply chain issue regarding a component part.

In the meantime, the direct compatible alternative to the R-24MED is 0110049 R-49V..

I am aware that you previously said this alternative is unacceptable to your customer.

Would you like me to keep this order on our system?

Many thanks.

Kind regards

Kate Griffiths

Good morning Ayelet,

Thank you for your order. Please could I advise you that the correct price of part number 0110024 is \$47.90 each.

I also need to advise you that part number 0110024 is not in stock and **we are unsure of the lead time**. The alternative is part number 0110049 - I have attached the technical datasheet. This sensor costs €37.75 each.

Would you like me to use the alternative part number for your order?

Would you like us to use your DHL account 958758064?

Please let me know how you would like us to proceed.

Many thanks.
