Good Morning Kate,

Thank you for your prompt reply and the quotation.

The invoice address is under my signature, but the delivery address is fine ☺

If it is an urgent request how long will it take to arrive please?

Many thanks,

Sue

Good morning Sue,

Thank you for your email.

Please see attached quotation as requested. In order to advise you about stock availability, please could I ask when you would need these sensors for, should you proceed?

I have used the addresses from your previous orders but can of course make any changes required.

Many thanks.

Kind regards

Kate Griffiths
